Haezel Mae Macaoay was born and raised on the island of Guam.

Haezel was introduced to the life of music at the young age of 8 years old when her parents signed her up for piano lessons. When she was 10 years old (4 th grade), she learned how to play the recorder from music class in school. When she was 14 years old (8 th grade), she took band class and continued playing the piano as her instrument. In her senior year of high school, she joined her schools honor choir class, La Voce.

After being introduced to the nightlife in 2016, Haezel was inspired by the DJs she saw and heard in Guam's local community. She knew she wanted to become a DJ, but did not know exactly how or where to start. In 2018, she became an active member with Skratcher Guam, a local community that held free monthly scratch sessions that were open to the public. Finally, in June 2019, she joined the Mix Us Happy Guam DJ Seminar to learn the basics of how to DJ. Thus, Lezeah was born!

With her budding DJ career, Lezeah instantly made waves on Guam with her first live performance at The Globe Nightclub (Guam's largest nightclub), secured residencies at The Shady Lady (Guam's speakeasy themed bar) and at Pinks (Guam's newest nightclub) located at The W Nightclub, and found herself expanding across international waters, landing a gig in Saipan.

DJ Lezeah is known for wearing stunning costumes and spinning high energy sets of curated playlists, always leaving the audience wanting more. Lezeah considers herself an Open-Format DJ, but her favorite music genres to play are pop, hip hop, and EDM.

Lezeah loves to show her support for the LGBTQ+ community by playing for events such as the Pride Marianas Halloween Pool Party and (Guam's first) Pride Ride with Rokit Ride Guam. Even with the drastic changes in her career caused by the COVID-19 pandemic, Lezeah continues to adapt by taking her 1s and 2s to the digital stage of the internet. In May 2020, she played the Throw 2020 Away Livestream on Instagram Live for Milkscope (an account with over 10,000 followers). In October 2020, she coordinated and hosted her first event, a Virtual DJ Dance Party, a music experience benefitting those with cancer during COVID-19. With the help of AltrXego Entertainment and the MixWidUs DJs, Lezeah and her team were able to raise over \$1,000 in 3 hours, with all proceeds being donated to Guam's local chapter of the American Cancer Society.

Through her musical journey, Lezeah hopes to inspire other women, especially young mothers, to follow chase their dreams. She hopes to spread the message that if she can do it, they can do it too!
